## Independent Auditor's Report

To Management of Goldcorp Inc.

### Opinion

We have audited the Schedule of Payments by Payee totaling \$204,961,851 and the Schedule of Payments by Project totaling \$204,961,849 of Goldcorp Inc. (the "Company") for the year ended December 31, 2018 and notes to the schedules, including a summary of significant accounting policies (collectively referred to as the "schedules").

In our opinion, the accompanying schedules for the year ended December 31, 2018 are prepared, in all material respects, in accordance with the financial reporting provisions in Sections 2, 3, 4 and 9 of the Extractive Sector Transparency Measures Act (the "ESTMA"), Section 2.3 of the ESTMA – Technical Reporting Specifications and Sections 3.1 to 3.6 of the ESTMA – Guidance (collectively, the "Financial Reporting Framework").

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Schedules* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the schedules in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the schedules, which describes the basis of accounting. The schedules are prepared to provide information to Management of the Company to assist in meeting the requirements of the ESTMA. As a result, the schedules may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### Responsibilities of Management for the Schedules

Management is responsible for the preparation of the schedules in accordance with the Financial Reporting Framework, and for such internal control as management determines is necessary to enable the preparation of the schedules that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibilities for the Audit of the Schedules**

Our objectives are to obtain reasonable assurance about whether the schedules are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these schedules.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the schedules, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the schedules. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide Management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner on the audit resulting in this independent auditor's report is David Macdonald.
